

## Corporate Services

### Outplacement

At a recent HR conference, a large number of attendees said they expected more layoffs in the next 6 months! We can help by providing a mix of group workshops and 1-on-1 consultation for those you have to terminate. We're much more flexible and affordable than the big guys.

*I recently hired Career Insiders to provide outplacement services. The results were outstanding!*

### Hire for Success

With so many people looking for jobs and submitting resumes for positions regardless of fit, the hiring process can be a nightmare. We will help you select the top candidates and show you how to interview them to ensure you make a wise decision.

*Career Insiders helped us hire a terrific employee, making our decision-making process painless.*

"Mauri, you've separated your firm from the crowd, that's why you're successful."

"Mauri, you are unique in how you look at the job search, in not using the same old clichés and are excellent at motivating people."

## WE GET RESULTS!

**"I recently hired Career Insiders to provide outplacement services. The results were outstanding!** Career Insiders provided resume, search strategy, and interviewing services to ensure that our laid off staff would be successful in this competitive job market. In fact, one person obtained a new job before his official termination date.

I don't know how they do it, but Career Insiders has a way of working with the basics to ensure that job seekers will be successful.

In addition to the results achieved, they worked with me to create a cost effective program. Career Insiders provided me with a way to have the parting be handled in a professional manner that recognizes the circumstances we face and respects the employee and their professional career."...Guy DeFlorio, Chief Technology Officer, Mutual Materials Company

**"When faced with the necessity of laying off staff, I researched outplacement firms and learned that Career Insiders was the best firm to hire.** The services Career Insiders provided included professional resume, job search strategy, and interview preparation, all designed to address the specific needs of each employee.

I can say without a doubt that it's their personalized approach that separates Career Insiders from other firms in the industry. It's easy to see how they achieve such a high success rate of enabling job seekers to beat the competition.

It's never pleasant to lay off employees, but because of Career Insiders, it was not as painful as I anticipated, and we were able to accomplish it with respect and compassion."...Rona Kardener, HR & Operations Manager, Save the Redwoods League

**"We hired Career Insiders to help us hire the right person for a newly created position.** We posted the job and were besieged with resumes. Mauri reviewed all the resumes and selected the ones for me to interview.

She pointed out plusses and minuses about each candidate and told me what to look for in the interviews. I hired a terrific employee because of her help."...Tina McGovern, Director of Development & Outreach, Gateway High School
