What's New

It's hard to believe that Thanksgiving is just about here...followed by Hanukah, Christmas and New Years.

Conventional wisdom is that the holiday period isn't a good time to conduct a job search, but I disagree. Use family and friend gatherings as networking opportunities. Reconnect with former colleagues and old acquaintances over a holiday drink or meal. Read my article for more advice on [holiday networking](#).

This is also a good time to get professional help in your job search as related expenses are [tax deductible](#). Purchase before December 31 for eligible 2011 deductions. Check with the [IRS](#) for details.
