## Learn How to Use LinkedIn to Get a Job

For a while now, I've been teaching our 3-part **Get a Job Workshop Series** which includes Develop a Job Search Strategy. See below for info on our next series coming up in September.

What previous attendees have discovered is that the Develop a Job Search Strategy includes **How to Use LinkedIn to Get a Job**.

**You cannot conduct a successful job search these days without knowing how to use LinkedIn effectively!** Even if you don't sign up for the entire series, this workshop is a must. Or you can call to schedule a 1-on-1 session.

And as always, don't forget to take a look at the coupon at the bottom for this month's offer and **save up to 20%**. We're gaining Twitter followers at a steady pace. Sign up to see why.

Thank you,  
Mauri Schwartz
