Mauri on TV

"I landed my new job because of Mauri!"

"I received multiple interviews & two solid job offers within a few weeks of working with her."

"I parlayed my new confidence into 3 offers & a great new position."

Happy New Year!

Oy! Another year has come and gone before I was even used to writing 2011 instead of 2010. Career Insiders begins the new year with a big bang. We've moved into a new office and we're launching a new initiative.

Our new office is at One Sansome Street, corner of Sutter, 36th floor. Schedule an appointment so you can see the great view at cloud level. We're even closer to Bart/Muni now, sitting on top of the Montgomery station.

Our new initiative is not really new. We're reconnecting with my roots in talent acquisition to offer companies full **Rightsizing** services, whether they're increasing or decreasing staff. As always, we stay true to our commitment of offering **personalized** services at a reasonable price, with a focus on the **practical**.

We'll still be providing 1-on-1 and workshop consulting to our individual job seeker clientele.

Here's to a fabulous 2012 for us all!
~ Mauri Schwartz, CEO/President
