

## CAREER BOOT CAMP

### It's time for Summer Camp!!

Career Insiders joins with San Francisco State University College of Business to offer a CAREER BOOT CAMP that will give you a competitive advantage in your job search.

Our camp consists of a series of three workshops to be presented twice during the summer.

**Sign up now for the first series and save up to 15%!!!**

- **Write a Winning Resume** – More than nine of ten job applicants get screened out even before having a chance to interview. Learn how to structure your resume to gain the *inside* advantage.
- **Design a Search Strategy** – Do you know how to look for a job in the current market? It is not enough to post your resume on the Internet and wait for a response. You need an aggressive step-by-step action plan based on your individual needs.
- **Ace the Interview** – If you cannot interview effectively, your knowledge and experience will go unnoticed. A less qualified candidate may get the job because of better interviewing skills.
